

SAFE ROUTES TO SCHOOL

Connections at MetroWest typically focuses on trips to and from work, but we don't want the kids to be left out! Your children can get exercise and fresh air every day just by walking or riding their bikes to school. We've walked the streets of the area and determined the safest routes.

Marshall Road Elementary

730 Marshall Rd. SW, Vienna (1.2 miles)

Take the walkway to **Vienna Metro Station** and walk across the bridge, then along the sidewalk beside the parking lot towards **Virginia Center Blvd.** Using the cross walk go to the NE corner and then turn right continuing on Virginia. Keep walking until you come to **Nutley Street SW** then cross over to the NE corner using the crosswalks. After Nutley, the road name becomes **Marshall Road SW.** Marshall Road Elementary will be on your right.

Oakton High School

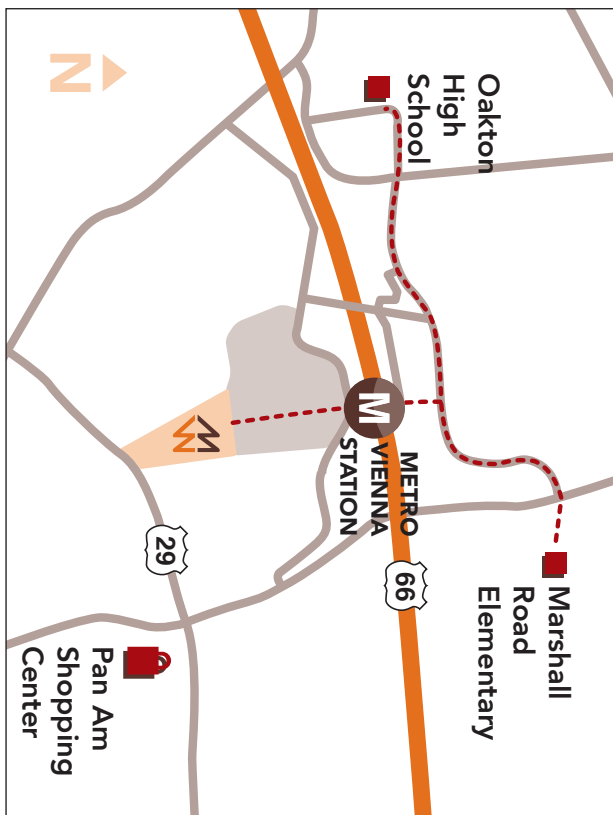

2900 Sutton Rd., Vienna (1 mile)

Take the walkway to **Vienna Metro Station** and walk across the bridge, then along the sidewalk beside the parking lot towards **Virginia Center Blvd.** Turn left on to Virginia. Cross over **Sutton Road**, using the crosswalks. Oakton High School is immediately in front of you.

Luther Jackson Middle School

3020 Gallows Rd, Falls Church (3 miles)

Due to the Middle Schools distance from MetroWest, we suggest carpooling.
